End of July 2022, The Wine Advocate

The Podere Conca 2021 Cabernet Sauvignon 196 (with 6,000 bottles produced) shows a lifted and elaborate style with ripe fruit, blackberry, spice and crushed stone. The wine feels smooth as it wraps over the palate with its medium-bodied approach. This pretty Cabernet Sauvignon is made in cement, and you get plenty of freshness and easy vertical fruit as a result.
